ANNIE SHIPPAM RMT

Dear Clients,

I hope this letter finds you well. I thought it was time to get back in touch with you. There are lots of new things to talk about; the biggest new development is the launch of the West Brant Studio.

## The **TONIC** Sugaring & Massage Studio

The Tonic Sugaring & Massage Studio opened July 2012 and has been receiving rave reviews for service and ambience. Our studio is located in the up and coming Brantford Artisans' Village,

a former rope and twine manufacturing site built in 1901. The site is currently undergoing renovations to restore and repurpose for its new use as offices, shops and craftsmen workshops.

This is an artist's rendering of the completed Artisans' Village.
